

Franklin

Spacious, stylish, and substantial are the keywords for the Franklin, a four-bedroom garrison. Among the Franklin's amenities are two full baths, an oversized kitchen, living and dining rooms, a separate den, and lots of closets. The attached two-car garage is reached through a versatile breezeway/mudroom with its own full-width closet. The colonial-style garrison exterior is a perfect complement to the rugged log construction which creates an overall impression of strength and elegance.
